

NEWSFLASH

APP TIMBER – INDONESIA

APP Timber is very pleased to announce the appointment of Handi Setiawan as Managing Director of PT APP Timber Indonesia as per April 1st this year. Handi was previously Managing Director of PT Treffert Indocipta, a position he held for 10 years but has been involved in the woodworking industry for 20 years. Handi's vast experience and leadership qualities will provide him with sufficient tools to strengthen our Indonesian operations to ensure the continued growth of our business. He furthermore will soonest finalize our warehousing facilities in both Jakarta and Semarang.

You can contact Handi as follows;
