## MTC Global WoodMart 2010

### Your Gateway to International Wood Markets

**The Malaysian Timber Council (MTC)** is organising its inaugural “MTC Global WoodMart 2010’ to provide a premier one-stop selling, buying and networking platform for suppliers and buyers of timber products from Malaysia and around the world.

The event will be held on 19 – 20 October 2010 at the Kuala Lumpur Convention Centre. Tropical hardwoods, as well as temperate softwoods and hardwoods, will be showcased at the **MTC Global WoodMart 2010**.

This is the first time that such an event is being organised in South East Asia for international timber suppliers and buyers to meet and conduct business. The MTC Global WoodMart 2010 will facilitate business among local and overseas suppliers, agents, distributors, importers, manufacturers wholesalers and others in the supply chain.

The MTC Global WoodMart 2010 will feature a wide selection of tropical and temperate hardwood and softwood products such as logs, sawntimber, plywood/ panel products, wooden flooring, wooden decking, doors and windows, mouldings and furniture components. In addition, there will also be an “Innovative Products” section to showcase new products such as bio-composite boards made of palm trunks, kenaf and rice husk.
