## APP TIMBER – BRAZIL

We are excited to inform you that Jorge Villanueva has joined our company as our representative based in the Brazil. Jorge is 41 years young. He started in Interholco as International Trader in Switzerland and has spent 15 years of his career buying and selling sliced veneers, lumber, flooring and hardwood decking. Jorge will be in charge of the sourcing of Brazilian hardwoods for APP Timber's operations in Asia. We are very confident that with Jorge's good work we will be in the position to improve the supply of our Brazilian hardwood lumber program.

You can contact Jorge as follows;
