APP TIMBER – INDIA

APP Timber starts operation in India

We are proud to announce that we have initiated our first local operation in New Delhi and employed Mr. Shaba Ansari as sales & marketing representative. Mr. Ansari has been active in the local timber industry and has good knowledge about imported raw materials. APP Timber is committed in growing the business across India with various scheduled operations in Mumbai, Kandla and Chennai in 2011. Our focus will be on a wide range of products such as American hardwood and softwood logs, teak logs, European hardwood logs, both hard- and softwood sawn timber, veneers and in the future more value added products such as softwood glulam, T&G flooring and various mouldings. We are also considering future processing in India to meet the growing demand in the local construction industry.

APP Timber is committed to continuously expand its services and ensure our position as “Asia’s most innovative company providing imported timber solutions!”
