APP TIMBER – USA

We are excited to inform you that Tom Gallagher has joined our company as Purchasing Manager based in the USA. Tom is 53 years young and has spent his whole career in the lumber business, mostly hardwoods. Tom will be in charge of the sourcing of American hardwood timber in the USA and Canada for APP Timber's operations in Asia and he will both operate from Philadelphia and in the summer from his farm in North Carolina. We are very confident that with Tom's good work we will be in the position to improve our supply and service of our American hardwood lumber program.
